CYBER SAFETY

Youth will learn how to stay safe online, avoid cyberbullying, and understand the real impact of digital behavior.

JOBS 101

Youth will learn interview skills, proper workplace attire, and how to address questions about their background when applying to jobs.

KNOW YOUR RECORD

Youth will learn how the juvenile justice system works and how to discuss their record for jobs, college, or military applications.

LIFE SKILLS

Youth will learn basic independent living skills such as managing appointments, banking, grocery shopping, and obtaining identification.
