

NOTICE OF JOINT PARENTAL RIGHTS

Chapter 61 of the Florida Statute requires parents to confer with each other and jointly make major decisions affecting the child(ren) concerning issues dealing with school, discipline, religion upbringing, and health. **Each parent is entitled to the child's medical, dental, and school records.** Florida Statute §61.13 (2)(b)(3) specifically requires that "access to records and information pertaining to a minor child, including, but not limited to medical records may not be denied to a parent because the parent is not the child's primary residential parent."

Please send information regarding the minor child to both of the following parents:

1. **Minor Child's Name** _____
